Those provisions are set out in Section 8 of this plan. Other than to insert text into the designated spaces or to expand the tables to include additional claims, the preprinted language of this form may not be altered. This does not mean that the debtor is prohibited from proposing additional or different plan provisions in Section 8. The Debtor may propose additional or different plan provisions or specify that any of the provisions will not be applicable, provided however, that each such provision or deletion shall be set forth herein in Section 8.

The Trustee will disburse pre-confirmation adequate protection payments for which a proof of claim has been filed as soon as practicable after receipt of said payments from debtors.

The Trustee will not make a partial payment. If the Debtor makes a partial plan payment, or if it is not paid on time and the Trustee is unable to pay timely a payment due on a claim in this section, the Debtor's cure of this default must include any applicable late charges.

Upon receipt, Debtor shall mail to the Trustee all notices from mortgagees including statements, payment coupons, impound and escrow notices, and notices concerning changes of the interest rate on variable interest rate loans. If any such notice informs the Debtor that the amount of the payment has increased or decreased, the change in the plan payment to the Trustee will not require modification of this plan.

- () Confirmation of the plan shall impose an affirmative duty on the holders and/or servicers of any claims secured by liens, mortgages and/or deeds of trust on the principal residence of the Debtor to do the following:
- (1) Apply the payments received from the Trustee on the pre-petition arrearage, if any, only to such arrearage. If the plan provides for an allowed payment of post-petition arrearages as set forth in Section 2C, apply those payments to only the post-petition arrearages.
 - (2) Deem the pre-petition arrearage as contractually current upon confirmation of the plan, thereby precluding the imposition of late payment charges or other default-related fees and services based solely on the pre-petition default or defaults.
 - (3) Apply the post-petition monthly mortgage payments made by the Debtor to the post-petition mortgage obligations as provided for by the terms of the underlying mortgage note. Late charges may be assessed on post-petition payments as provided by the terms of the mortgage and note.

Level 3: Domestic Support Obligations.
Level 4: Secured claims, pro rata.
Level 5: Priority claims, pro rata.
Level 6: Specially classified unsecured claims.

GENERAL PRINCIPLES APPLICABLE TO ALL PLANS

All pre-petition arrears and cramdowns shall be paid to the trustee and disbursed to creditors through the plan.

If a pre-petition creditor files a secured, priority or specially classified claim after the bar date the trustee will treat the claim as allowed, subject to objection by the debtor. Claims filed after the bar date that are not properly served on the trustee will not be paid. The debtor is responsible for reviewing claims and filing objections, if appropriate.
